ROSE WINDOW
St. Patrick's Church
10th & G Streets, N.W.
Washington, D. C.

This brilliantly colored Rose Window, a memorial to President John F. Kennedy, is in the west wall. Located in the heart of the downtown business district in the Nation's Capital, this church with its old world charm is visited daily by hundreds of 'shoppers' and government workers, who stop for a moment of prayer. Other stained glass windows in this beautiful church show great events in the life of Our Saviour

Parish established 1792.
